### Getting there

#### By Car

Erfurt can conveniently be reached via motorways A4 and A71: Leave autobahn at junction Erfurt-West, Kranichfeld or Vieselbach and follow signs in the direction of Altstadt/Zentrum.

On the Stadtring (Juri-Gagarin-Ring) use the Parkleitsystem to the multi-storeyed car park of the shopping centre "Anger 1". Follow directions to the Rathaus (Town Hall). Upon leaving the Ring between hotel Radisson SAS and the multi-storeyed car park "Anger 1", turn right into Johannesstraße. Then follow the tram's railway for about 100 metres. Then turn into the first intersecting street on your left hand side. You have reached the Futterstraße. The Kaisersaal is situated in about the middle of the right hand side of the street.

Should you not stay overnight at a hotel, we advise you to park your car in the multi-storeyed car park "Anger1" and to walk to the Kaisersaal (about a three minutes' walk).

## KAISERSAAL ERFURT

**By taxi** you reach the Kaisersaal in less than 10 minutes.

**By Tram** At the railway station follow the signs to taxi, tram or the main exit to the Innenstadt (town centre).

**Tram Line 1** (in direction Europaplatz) takes you from the railway station directly to the stop "Futterstraße" (second stop after Bahnhof) in just a few minutes. Cross the street. On the left hand side it is crossed by the Futterstraße. On the right hand, in about the middle, sits the Kaisersaal.

**Tram Lines 3, 4, 5 and 6** take you to the stop "Anger" (next stop after the railway station). From there walk in the direction of the shopping centre Anger 1 and turn into Johannesstraße. Follow it up to the second intersecting street (Futterstraße). On your right hand side, in about the middle of the street you find the Kaisersaal. From the Anger to us it is about a 5-minute walk.

**On Foot** it is a 15-minute walk through the beautiful Old City of Erfurt: cross the railway station precinct to the left and then turn right into Bahnhofsstraße. Follow it up to the Anger (The Common), Erfurt's main square. Follow the tram's railway to the Left past the shopping centre "Anger 1" and then walk on straight into Johannesstraße. Cross the zebra crossing there. After about 100 metres the Johannesstraße is intersected by the Futterstraße on your left. The Kaisersaal sits in about the middle of the right hand side of the Futterstraße.

**By Plane** Airport Erfurt-Weimar is connected with national and international airports by regular airline and charter flights. **Tram Line 4** takes you directly to the Anger, the main square of Erfurt's town centre. From there you can follow the directions given for arrivals by train.
